

Lending Library Modified for COVID-19 (October 2020)

Skeena CCRR has re-opened the care provider lending library on a limited basis. Care providers are able to pick-up or drop off in a contactless manner, via our carport, by pre-arranged appointment. CCRR staff are available for contactless (your choice) for drop off and pick up at your centre.

Any resource box that has puppets, plush animals or other non-machine washable items will not be available at this time as per the *COVID-19 Public Health Guidance for Child Care Settings (September 25, 2020)* document. Only washable items or items that can be sanitized will be available. For wooden toys and puzzles, simply wipe with a cloth dampened with bleach solution (DO NOT SOAK OR PLACE IN SOLUTION). For felt stories, please do not allow children to handle (to limit multiple touches) and DO NOT sanitize.
